

## Reading Rocks Student Guide

- One book report per month or per quarter
- Book reports may be done using books available at KHS ONLY (summer reading books will not be accepted for this program)
  - Students may use their own copy or a copy from another library as long as the title is also at KHS. It is the student's responsibility to check the library card catalog to be sure
- Book reports must be done at school
- Book reports are graded by Teacher-Librarian Mrs. Woods
  - pass/fail- grades
  - Book reports are kept by Teacher-Librarian
  - Excel spreadsheets are kept for each teacher with student names, book title and date passed or failed and then e-mailed on a regular basis
- Book reports require a summary of the plot and other questions about setting, characters, and more. There are 6 different forms so that students have different questions each time.
- Prizes are given to students for participating in the program (even though a grade is given, this is extra incentive to keep going instead of taking a zero)
  - Prizes will be given at the end of each quarter.
  - Students who pass every book report and have no zeroes will be invited to attend a rockin' concert at the end of the year.
